ROYAL RITUALS

Age and a sedentary lifestyle may result in loose sagging skin and an unsightly orange peel effect in the abdomen, derriere, thighs and arms. This radical treatment prompts collagen and elastin synthesis, and improves sagging skin and cellulite. The body perfecting treatment features two highly efficacious technologies that work in sync: Accent ULTRA weakens fat cells with hot ultrasonic waves, and destroys them with cold waves, and Accent Radiofrequency improves lymphatic drainage to flush fat cells out of the body.

NEW Beauty Secrets

"I love travelling for fashion weeks. You have to explore new restaurants and boutiques, all in the name of 'research.' Milan is all about getting great press and doing it as quickly as possible after the last show, whereas Paris is mostly about fabulous parties and intimate dinners, soaking up the beauty of the city. Parisian style is definitely sexier, more cool and mysterious, whereas Milanese style is very chic, more colorful and punchy. I'll always bring a white shirt and great pair of black cigarette pants. Sometimes it's best to go classic and simple and play up your accessories, since you're overwhelmed with all the fashion on the runways. By Paris, most of the editors are tired and overbalanced—in a good way—and they all lay down."
